

List of Specifications withdrawn from website

S.NO.	DESCRIPTION	MMDTS No.
1	Special terms and condition for procurement of LLDPE/polymer material bio tank system for LHB coaches	MMDTS 16001
2	Schedule of requirements for composite compressed laminate sheet for flooring for LHB type Non-AC coaches.	MMDTS 17004
3	Specification for consultancy of design, development of material and furnishing of LHB coaches at MCF/RBL with world class interior	MMDTS 17006
4	Schedule of technical requirement for surface protection on FIAT bogie.	MMDTS 17007
5	Specification for water level Indicator for overload tanks on Indian Railway Coaches	MMDTS 17010
6	Specification for 3D-printer	MMDTS 18004
7	Schedule of technical requirements for SMART Passenger information coach computing unit (PICCU)	MMDTS 18010
8	Purchase specification for procurement of control arm in coach set (through Forging route)	MMDTS 18013
9	Purchase specification for procurement of control arm in coach set (through investment casting route)	MMDTS 18014
10	Schedule of technical requirements for surface protection (Poly-siloxane base anti-corrosion & anti-chipping protective coating on Fiat bogie & under-frame)	MMDTS 18015
11	Technical specification for modified Bio-Vacuum evacuation system for LHB coaches	MMDTS 18024
12	Specification for optical tracker (Tracking facility) with handheld 3D scanners)	MMDTS 18029
13	Specification for Smart Switch Board cabinet with additional features for LHB type AC coaches	MMDTS 18032
14	Specification for Auxiliary items for Smart Switch Board cabinet with additional features	MMDTS 18035
15	Schedule of Technical Requirement for GPS based Papis system with Digital Destination board with OBCMS and online condition monitoring system of coaches & other items	MMDTS 18042
16	STR for design, development, supply, integration, testing, supply & commissioning of complete propulsion system & other sub-system for BG AC DPRS	MMDTS 19007
17	OBCMS & PICCU	MMDTS 19013
18	Specification for fire barrier wall	MMDTS 19018
19	Specification for Integrated Video safety and security solution for smart coach	MMDTS 19022
20	STR for existing speed wheel sensors (Torsional vibration) based OBCMS for LHB coaches	MMDTS 19029
21	STR for supply, installation & commissioning of Rajdhani rake with World class Rajdhani rake	MMDTS 19036
